SAY CHEESE! BEST TRAVEL CAMERAS

Words By: Shintu Dhang

Embarking on global adventures requires a reliable travel companion, and what better ally than an excellent travel camera? In a world where every corner holds a unique story waiting to be told, selecting the right camera can make all the difference in capturing breathtaking landscapes, vibrant cultures, and unforgettable experiences. Let's explore the top contenders for the title of the best travel camera, designed to meet the needs of travel enthusiasts seeking to memorize their journeys in stunning imagery.

We at Exhibit Studios conceptualised and produced a high-production car show called "Cars with Stars", driven by Audi! In the first three episodes of the series, Bollywood luminaries like Siddhant Chaturvedi, Mrunal Thakur, and Arjun Kapoor step out of the limelight and jump into the driver's seat to tackle a series of thrilling challenges. With Audi's finest machines, headlined by Audi Q8 e-tron, these stars push the limits of speed, skill, and performance.

Hosted by Ramesh Somani, the founder, publisher, and editor-in-chief of Exhibit Magazine and TopGear Magazine India, each episode promises non-stop excitement and pulse-pounding action. It's a 15-minute Episode with a leaderboard where the lap time is put up, and each episode ends with a drag race.

It's streaming now on [YouTube.com/topgearmagindia](https://www.youtube.com/topgearmagindia), but before you watch it, ensure you fasten your seat belt or hold it tight to the arms of your couch.
