No. of Cylinders: 12

"This is the full send button, we ditched partial send to save weight..."

For the full racecar experience you have to climb out the window to do a driver swap at Tesco

The ABT XGT might be ready for the streets, but are the streets ready for the ABT XGT?

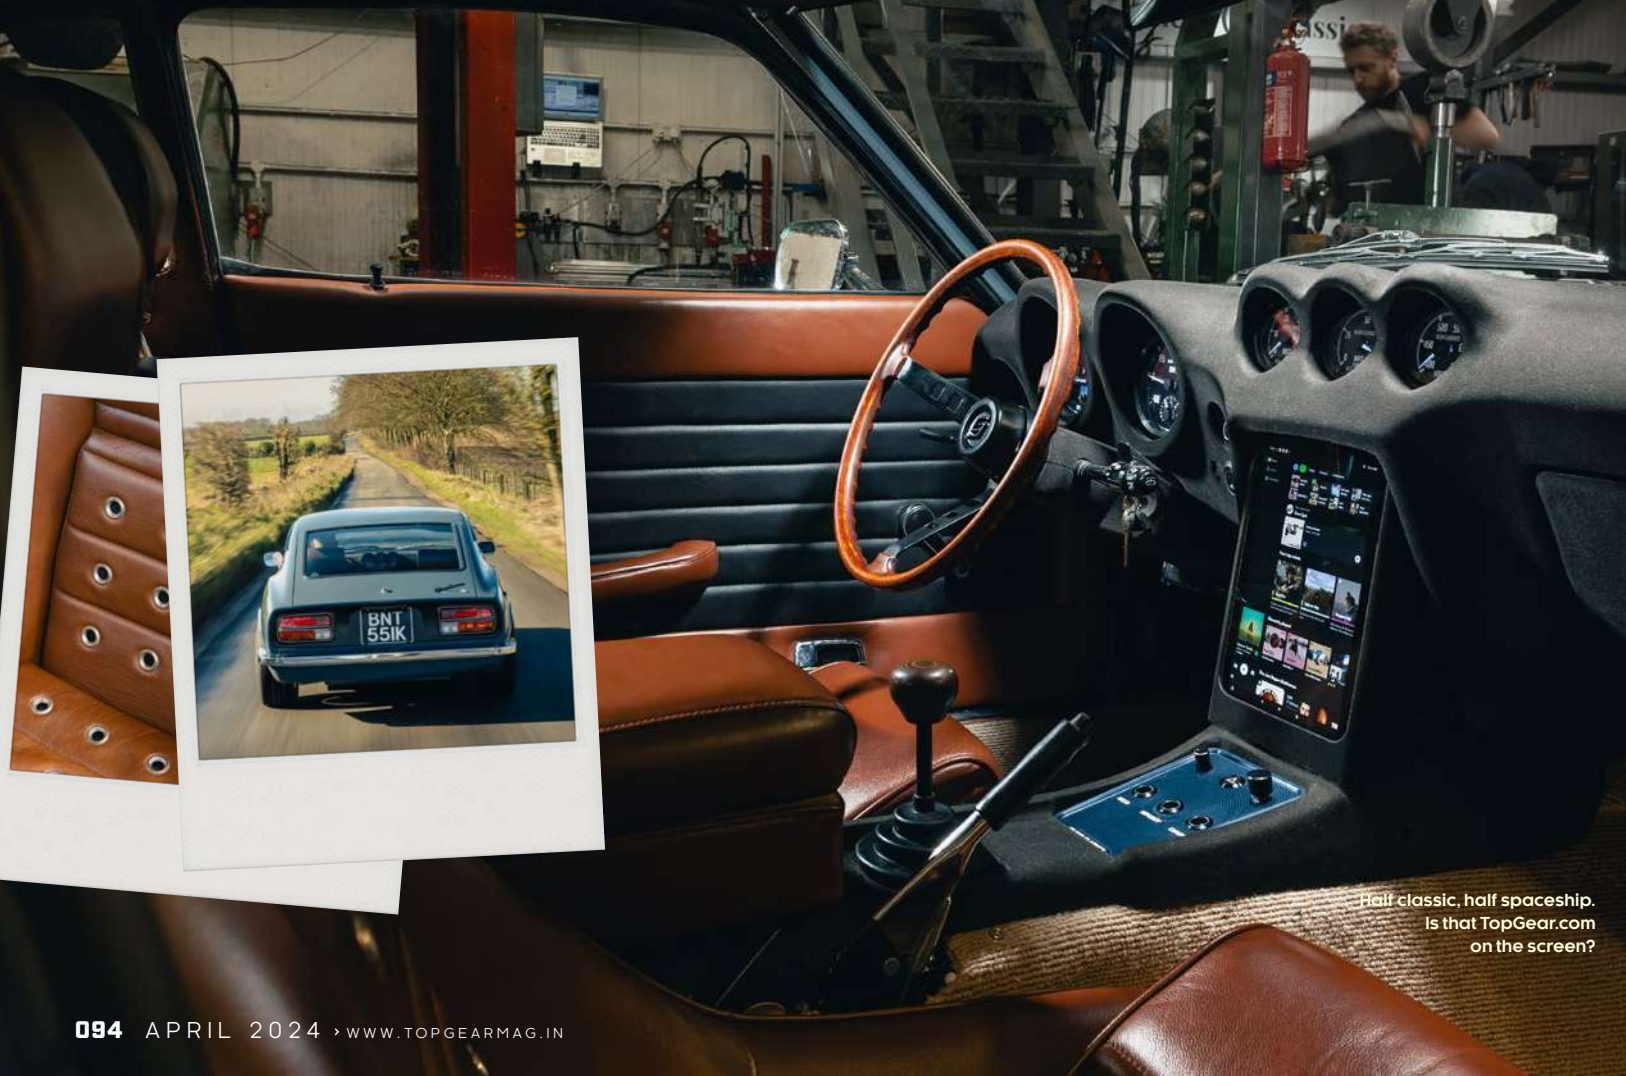

Perilous parking space bingo. Might be best to move the Datsun, guys

Incorrectly positioned hammer hurts us / Little 500 is a winner for Silent Classics / Some questions are better left unasked / Lovely workmanship, messy workbench

Half classic, half spaceship. Is that TopGear.com on the screen?
